Sir,

I Adverting to correspondence ending with Government Proceedings No 24, 3, dated 16th July 1908, re the assumption by Government of the management of the temple of Sri Madhavaraswamy at Shivathalli, I have the honor to submit herewith a proposition Statement showing the estimated average annual income of the temple and the expenditure proposed to be incurred therein. According to the present estimate the income is Rs 290-12-0, but it is expected that a higher income may be realized by

by bringing under Cultivation the lands that are now reported to be lying fallow and by letting out the lands on more advantageous terms from next year. The Government order Sanctioning the resumption of the lands having been received in the month of July 1908, when Cultivation had fairly progressed, it was not possible to demand a higher rent from the tenants in possession of the lands and therefore they were bound down to pay to Government only the rent which they formerly used to give to the Valiavatdars. The price of paddy is also put down at a much lower rate than what is reported to obtain in the market in order to be on the safe side and to guard against any inconvenience arising out of a possible reduction in the market rate. The actual income

-that

that may be realized is therefore
to be higher than what is shown in
the Statement and it is reported that
it will never be less than that, the
expenditure proposed is a moderate one
and as it is well with the income
of the temple and leaves also a surplus
of 70 Rs for Savings, the Scale may
be Sanctioned.

2. The persons mentioned in
appendix B may be appointed Dharma
- darsis to Supervise the affairs of
the Temple.

3 The occupants of the temple referred
to in para 3 of the Government Proceedings
are reported to have been sent out.

I have the honor to be
Sir,
Your most obedient Servant
W. Reed
for Offg Deputy Commissioner
